Faculty Positions, Department of Earth Sciences, National Cheng Kung University, Tainan, Taiwan

Applicants with excellent academic accomplishments or great potential to develop in theoretical and/or experimental modeling of earth systems such as those involving surface processes, geological processes for hydrocarbon formation and migration, and thermodynamics/kinetics of mineral crystallization are strongly encouraged to apply for 1-2 faculty positions at the levels of assistant professorship or higher. Outstanding scholars in other fields of earth sciences who are able to demonstrate exceptional academic achievements or potentials are also highly welcome to apply.

The appointment will begin on August 1, 2010. Successful candidates should submit a cover letter summarizing their experience and plans in teaching and research, curriculum vitae, copy of Ph.D. diploma, reprints of critical publications, and three letters of recommendation to the following address before January 31, 2010:
