FACULTY POSITION in

Marine geology and geophysics division

Institute of Oceanography

National Taiwan University, Taipei, Taiwan

The Institute of Oceanography at National Taiwan University has a full-time, tenure-track faculty position at any level from the assistant professor to the full professor, with a starting date of August 1, 2006. We are seeking applicants with a Ph.D. degree in the fields of marine geology and geophysics as well as other related earth sciences. Specific subareas include marine sedimentation, coastal processes, marine geology and geophysics, and other related fields of geological oceanography and general earth sciences. Successful candidates will have an outstanding research record with post doc experience and a strong commitment to teaching at the undergraduate and graduate levels and thesis advising. Interested applicants, please send curriculum vitae, a photocopy of Ph.D. certificate, a publication list with 3 representative papers within the last 5 years, a statement of research interests and courses to be offered with syllabuses, and 3 letters of recommendation along with each referee's name, address, phone number and e-mail address to "Prof. Ching-Hua Lo, Dean of the College of Science, National Taiwan University, #1, Sec. 4, Roosevelt Rd., Taipei, Taiwan, ROC" before December 31th, 2005.

For more information or related questions, please contact

Prof. Ling-Yun Chiao, Division Head, Institute of Oceanography, National Taiwan University.
